RVC9 Article - August 2023

From Rachel Kibler, RVC9

Happy August, Region 9! I hope this makes it into the newsletters; recovering from the excitement that is the Annual Gathering (AG) had me delay writing this. It was fantastic party, and if you haven't been, I highly suggest you look into going next year in Kansas City! The talks at the AG were excellent, the evening activities were fun, and I ate crab every day I was in Baltimore (yum)! Kansas City will, obviously, be about barbecue.

The next opportunity for a party is Orange County's Regional Gathering (RG) over Labor Day weekend. The tickets are close to selling out, so make sure you register soon! http://ocmensa.org/2023-regional-gathering/ to register. It'll be excellent.

I'm planning a day of virtual leadership development workshops (LDWs) for September 30 and October 1. Usually, LDWs only happen in person at gatherings, so this is a great opportunity to learn how Mensa works and how to lead in Mensa without having to leave your home! Your local group will get credit for you attending, and they're open to everyone, not just current leaders of the local groups.

We've lost a local leader recently. I'm devastated to say that David Sebesta of Greater Phoenix Mensa passed away unexpectedly. He was at the helm of Phoenix for many years, and he did a lot of good things there. He will be missed by all of us. He had been working on succession planning, and Phoenix is in good hands, but his mark on the local group will be felt for many years to come.

Succession planning is important, and we still need volunteers at the local and regional level. If you're interested in (eventually or immediately) stepping into a leadership role, please reach out to me. You can contact me at rachelregion9@gmail.com. We have many opportunities to serve!

RVC9 Article - September 2023

From Rachel Kibler, RVC9

Happy September, Region 9! As you read this, I'm in California with Channel Islands Mensa for an event and Orange County Mensa for their Regional Gathering (RG). This is my favorite bit of Mensa, getting to meet people and hear their stories. I hope to visit the two groups in Arizona in January, and I'll be at Greater Los Angeles Area Mensa's (GLAAM) RG in February!

The national board elections are coming up. If you'd like to run for office, please let me know! The board (the American Mensa Committee, or AMC) is comprised of five national officers – chair, first vice chair, second vice chair, treasurer, and secretary; ten regional vice chairs (RVCs, that's my role!); and four appointed officers – membership, marketing, communications, and the director of science and education (the head of the Mensa Foundation is almost always this role). Please let me know if you'd like to put your name in the ring for any of these. If you have leadership experience within Mensa, you are doubly welcome!

September 30th and October 1st will be a weekend of leadership development workshops (LDWs). These will run the gamut from gifted youth programs to how to run a local group to how to run effective meetings to the history of Mensa. It's going to be an exciting weekend. There's no need to sign up, but keep an eye on your Mensa emails for the Zoom link and schedule! Your local group will get Jewel points for your attendance.

Speaking of Jewel awards, congratulations to San Diego Mensa and Orange County Mensa for their Jewels (San Diego: ruby; Orange County: sapphire)! Local group Jewels recognize and reward local groups' membership-related activities and for their active participation in all that Mensa has to offer to positively impact the experience of the local group members.

As always, my emails are open: rachelregion9@gmail.com. Be kind to each other!

RVC9 Article - October 2023

From Rachel Kibler - RVC9

How is it already October? Well, happy fall, Region 9! The leaves are changing for some of us, but most of y'all get gorgeous weather year-round. My dog gets exhilarated by the cool weather, and he does his "zoomies" when he comes in from the cold.

In addition to the Jewel awards I mentioned last month, a couple of our members received honors of the highest sort. Angie Mattson, from Orange County Mensa, has received Testing Coordinator of the Year for the second time! Simone van Egeren, from San Diego Mensa, received the Distinguished Service Award, which is given to someone for service to Mensa on a national scale. In this case, Simone received it for her work as our national historian. Please congratulate these remarkable women the next time you see them.

I'm excited to attend Greater Los Angeles Area Mensa's (GLAAM) Regional Gathering (RG) in February! If you haven't already registered, you can find more information here:

https://www.glaam.org/regional-gathering/stargazing-2024/. I hope to see you there!

My trip to California to have dinner with Channel Islands Mensa and attend Orange County Mensa's RG was delightful. I had a very gracious host in Channel Islands, William Noack, who showed me around, and almost 10% of the group showed up for dinner! Orange County threw a great party, thanks to John Olsen, Nikki Smith, and Valerie Spear. Meeting with members is the best part of being the Region Vice Chair.

It's that time: if you are interested in getting involved, all you have to do is reach out! Your local group will thank you, and if you want to serve on a national committee or at the regional level, let me know! You can email me at rachelregion9@gmail.com.

Be kind to each other, engage with each other, and I hope to see you soon!

~

Remembering David Sebesta
GPM LocSec 2020 - 2023

The basics are mundane. David was a graduate of MIT and worked as a Team Lead at Deloitte. But there was so much more to the man that covering it in the limited space here would be impossible.

While he was also involved with Intertel, GPM is most grateful for his leadership during the most stressful period in our history. Dave took the position of Local Secretary just as COVID-19 was hitting its stride as an epidemic, and he managed GPM through the epidemic and out the other side. In doing so he made GPM one of the few Local Groups that kept largely up to strength. And to make sure the forward momentum continued, David had the nerve to approve making the 2022 Regional Gathering, 'Up From The Ashes,' free to all members and guests. That very effectively put a cat among the pigeons in other local groups.

David honed his knowledge base on Pub Trivia nights, effectively shutting it down by his team winning nearly EVERY TIME. (Them again? I'm not playing!) Extending the competition to the national level, David's team 'Phoenix Phive', placed Second in this year's Culture Quest competition. It's difficult to say that any one team member is the captain of a team on which each of the five are the smartest on the team, but let it be enough to say David's contribution was substantial.

It may be that he will be missed most for his personality. Anyone who has been on the receiving end of one of his quips, often under his breath, understands this. He also had an unplumbed capacity for margaritas. With salt.

Our deepest condolences go to his family, and most especially to his fiancée, Amy. We are all less for his passing.
